not in the wilderness, not in the inner room.

Like the lightning which flashes and lights up the sky from east to west,  
so shall it be when He will come, the Man's Son.

R: I'm waiting for Your light show. ♪ I'm waiting for Your second coming, Lord.

I'm waiting for Your fight. Go! ♪ I'm waiting for Your crack and final(,)

Haus 1: chord. 2.Strophe

Haus 2: chord. Bridge

Haus 3: chord. ♪ I'm waiting for Your ...

Schluss: crack and final, crack and final chord.

2. One turns left. One turns right. But Your light shall be my one,  
because I want to serve You, Lord, You bar none.

You are loving the one who betrays not Your ways. How less will rest?

So shall I do when You will come, the Man's Son. *Refrain*
